

# ROUND HILL SCHOOL CULTURE OF SUCCESS

## PARENT/GUARDIAN ROLES

We value the safety of our school community and the positive learning environment that is possible when people treat one another with respect. Parents and guardians are committed to following these guidelines in order to enhance our culture of success at Round Hill School.

As parents/guardians we will:

- ✓ Verify our child's absences by calling the school or sending a note
- ✓ Ask our child about their day
- ✓ Check backpacks and agendas for communication
- ✓ Be involved in school events and activities
- ✓ Keep communication open between home and the school

✓
