Principal's Message:

At this time of the year, the phrase 'where did the time go' is heard as we look forward and realize we are well into the last half of the school year. This is also a time for reflection and as I reflect on my time at Round Hill School, there are some realities that stand out for me:

- Being a thriving school such as Round Hill happens because of the partnership that exists between the school and the community.
- RHS has a staff who are fully engaged in the work of our school.
- The **REAL** work is ongoing. This work is to continue to grow as a vibrant learning community and a safe and caring environment for ALL. This means that showing Respect, making an Effort, having a positive Attitude, and showing Leadership continue to be part of our everyday work here at school.

As our year continues, and the months become weeks, then days and we find June upon us, we will stay committed to building and maintaining the culture of a school that cares and strives for success.

Shout outs to:

- BB coaches and parents (a.k.a. the drivers!!)
- All those who were a part of our great time at Miquelon Lake – the skating was fabulous – you should check it out!
- Hot Lunch workers/supporters
- Staff who go the extra mile for our students
- A committed community of support – parents, grandparents, friends and family
