## Principal's Message:

### R.E.A.L. – At Round Hill School, we strive to:

- show respect
- give our best effort
- have a positive attitude
- show leadership
- 

### ***"Time has gone by so quickly"***

There's nothing like living in rural Alberta! Although a tough start for harvest this year, it has been great to see the crops coming off and we hope the weather holds for a while.

Upon reflecting on our first eight weeks of school (already!), much learning has taken place here at our school. Teachers are busy preparing for our first report card, which will be going home on November 5<sup>th</sup> with Parent Teacher Interviews on the 8<sup>th</sup> of November. Please plan to attend our evening of interviews. It is a great chance to connect with the staff and talk about your child's first term of this school year.

Round Hill School has been well represented in our athletics this fall. From top ten placements in cross country to success on the volleyball court, our students have shown great sportsmanship and have shown they are willing to work hard to improve! Well done!

Our Junior High attended WE Day at Rogers' Place on October 12<sup>th</sup>. Twenty-four of us travelled to Edmonton on a wet, chilly morning and had our eyes and ears filled with the passion of people who want to make a difference in this world. We are hoping to carry some of that excitement on with our own WE activities. Watch for upcoming announcements! A big thank you all the parents who were part of making our day a success. It was a great day!

**Thanks to all our supporters of our school activities and our athletic programs!**

Keeping it REAL!

Karla Koleba  
Principal

**All School Fees  
are payable  
online!**

**Statements  
have been sent  
out.**

### From the Library:

Makerspaces are popping up in libraries everywhere. They are places for people to work together to create, invent, explore and tinker with a variety of tools and materials. Sometimes a challenge is given that must be achieved with specific materials. Sometimes the instructions are more open-ended. The goal is to unleash creativity and inventiveness.

At Round Hill School, we are creating a makerspace to challenge our students' creative minds. We hope the Round Hill community will support this project by donating some supplies. Below is a list of low-cost items that can be used in makerspace activities. If you would like to donate items not on this list, please contact me at [sjudd@brsd.ab.ca](mailto:sjudd@brsd.ab.ca) to be sure they are items we can use.

Thank you for your support.

Sharon Judd

Learning Commons Facilitator

Makerspace Supplies: Balloons

Marbles      Straws

Toothpicks      Craft sticks

Plastic spoons      Pipe cleaners

Dixie cups      Clothespins

Index cards      Masking tape

Kitchen string/Yarn      Elastic bands

### Staff Collaboration and Professional Development Days

Alberta teachers follow standards, called Teacher Quality Standards, set out by the Alberta government. In response to this, professional development and staff collaboration days are organized to equip teachers to move forward as life-long learners and to prepare for upcoming changes in curriculum. As a result, Round Hill Staff have and will continue to participate in learning opportunities **which enhance their abilities to support students.**

On September 28<sup>th</sup> - Round Hill Staff joined together with Bawlf Staff and learned more about our First Nations', Metis and Inuit people. It was a full day of learning, in preparation for the upcoming **curriculum expectations.**

October 26 – Round Hill teachers will be working with other staff throughout the Division in the areas of Literacy, Numeracy, and continue the work on the upcoming curriculum changes.

### **WOW... ALREADY!!**

First report card will be going home November 5, 2018.

Parent – Teacher Interviews      November 8, 2018

4:00 p.m. to 8:00 p.m.

No appointments necessary

There is an informational letter at the front desk for anyone interested. Please stop by and pick one up or call Helen Andrews at (780)-903-9189 for more information.

**HALLOWEEN FAMILY LUNCH**

*October 31, 2018*

*Family Lunch; 11:30 a.m.*

*Parade; 12:45 p.m.*

*Halloween activities throughout the afternoon.*

*Everyone Welcome!!*

**VOLLEYBALL**

Our regular season is almost complete and it looks like our boys are going to the playoff!

We will have a girl's development tournament at Round Hill on Saturday Nov. 3 beginning at 9 A.M.

I would like to congratulate all of our players on their hard work this season. I would also like to thank all of the parents who helped out to coach, drive, run concession, and who gave their support to our players. I also need to remind parents of players to submit their \$40 playing fee to the office if they have not done so already.

Thank you,

Mr. Nederlof

## **Hello Everyone!!!**

We are planning a traditional Halloween Party for Wednesday, October 31<sup>st</sup>. At 11:30 a.m. we will be having a whole school lunch upstairs. Students will be able to go outside for a bit and then put their costumes on for the parade at 12:30. In the afternoon, students will participate in games and activities, organized by the Junior High students.

Throughout the year, we have four main school lunches – Halloween, Christmas, Spring and Year End. The main meal for the lunch is generously donated by the Parent Council and then we ask that certain students bring the remainder of the meal. Please see the back of this page for the lunch your child will bring for. For this year's Halloween, we will be having taco in a bag.

If you are bringing for the Halloween Lunch, please have your food at the school no later than 10:00 a.m.. It can be sent on the bus with your child and brought to the homeroom teacher. The teachers will make sure the food gets to the right room.

If you are able to volunteer some time for the lunch, please let Mrs. Bjorgum know. She will organize the parents for lunch!

Parents and siblings are welcome for lunch and afternoon activities. Feel free to dress up and join in the fun!!
