### Principal's Message:

We hope the holidays were relaxing and restful for you and your family. December was a busy month with Christmas concert preparation and celebrating the Twelve REAL Days of Christmas, a parent-council sponsored activity highlighting our school's REAL behavior. Thanks to our council for making our days up to the break fun-filled.

On the last day of school before Christmas, we delivered almost three hundred pounds of food items to the Tofield Food Bank. Thank you to all who were able to support this important cause. As well, over eleven hundred dollars were raised with the Christmas baskets and these funds have been sent to support STARS.

January can be a long month with colder weather and less sunshine, but the school continues to be a very busy place. Students are focused on academics and basketball season continues with practices and games. The next Junior High report card will be sent home on February 4<sup>th</sup>.

Thank you for your continued support of our school. We hope for a great 2019!

Keeping it REAL!

Karla Koleba  
Principal

**Jan. 30 – Ski Trip**

**Jan. 31 – No School – Semester Break**

**Feb. 1 – No School – Semester Break**

## ACCOUNTABILITY PILLAR OPEN!

From January to the end of February, Alberta Education will be conducting the annual Accountability Pillar Survey.

- In January, parents of students in grades 4-9 will receive a survey from Alberta Education.
- In February, students in grades 4-9 and all teachers will be completing their surveys online at school.

As an annual check-up on the education system, the Accountability Pillar provides an opportunity for Alberta Education and school authorities to ensure that we are equipping students for success.

The Accountability Pillar uses a set of 16 indicators. Data on these indicators consists of surveys of students, parents and teachers on various aspects of education quality, student outcomes such as dropout and high school completion rates, and provincial assessments of student learning.

All surveys are anonymous and ask questions about experiences with your school. Your participation in the survey helps provide important information on the quality of education your child is receiving, so we encourage you to return your survey promptly.

Survey results will be available to school authorities in May, and will be reported publicly as part of their 3-Year Education Plans and Annual Education Results Reports.

**If you have any questions, please call the school office. We value your participation!**

This past December Round Hill School had a food drive in support of the Tofield Food Bank. We would like to thank everybody who donated. Every item helped so much and we raised almost 300 pounds of donations. Make sure to look for our section in the next newsletter to stay updated for our future activities!

Thank you,  
Junior High Student Council.

**A big thank you to our School Council for sponsoring the Twelve REAL Days of Christmas!**
