

# PARENT COUNCIL of Round Hill School

November 26, 2019

Attending: Kalena, Karen, Carlene, Leah, Karla, Susie, Bharb, Carmen, Michelle, Elicia

Called to order @ 6:30

Acknowledgment of being situated on Treaty 6 territory.

Elicia accepted the minutes from May 23.

**Community Rep** Potluck Lunch Dec 8

Market Dec 9

**Principle Report** - our pillar report are significantly better this year than last year.

- Middle of our three-year plan: Continue to be a REAL school, we have a monthly focus and each morning we have a quote for the monthly focus. Literacy is another focus with staff and students. Technology has been a focus to make it a normal activity but that every student benefits.
- First nations – Inuit – Metis: Mrs. Evenson has a unique connection to the reservations and will be the front-runner in teaching the kids about the first nations. Mindful how staff can introduce material and learning environment about the first nations.

**Trustee Report**: see attachment

**Old Business**

Smart Photography Presentation: re-rescheduled for the new year

Parent Info Sessions: not formalized with Telus Wise at time of mtg.

Score Clock/Sound System Update: division rep came out with a projector to set-up and trial run. It was a great option.

Basketball Court Discussion: its icy! Karla asked Josh for recommendations for Ice Melt. Will be back in use when the ice is taken care of.

Christmas Baskets: we need to apply for a raffle licence. Same idea as past years but combine Gr9 and Kindergarten. Discussion ensued about whether the baskets were a good idea or if there was a better idea for "giving". Michelle had the idea that we still do baskets but no theme baskets and everyone donates what they are able to according to each family. Parents were in favour in not having theme baskets and each family donates according to their family. Karla will look into donating to Open Doors in Camrose as opposed to Stollery Children's Hospital.

12 Days of REAL Christmas: first day will be Dec 3.

Choice and Education Survey: expired Dec 6. Has the potential to impact the rural schools so very encouraged to participate.

Next Meeting January 21, 2020 @ 6:30

Meeting adjourned at 7:19
