## *Message From Our Principal*

October has flown by, and Halloween is right around the corner. I just wanted to start off by talking about how good Round Hill School students are. A number of years ago, this school community developed the R.E.A.L acronym to help students remember how they are supposed to behave in school and in life. **RESPECT** themselves, others and the property of others. Put in their best **EFFORT** in whatever it is they are doing, whether it be working at school or doing chores around the home. Have a positive **ATTITUDE** whether they are playing on a team, working in class or at home. And finally, be a **LEADER**. Leadership encompasses the first three character traits but it has meaning on its own - make those around you better, make good decisions, offer to help, have integrity, show empathy, and support others.

I see this on a daily basis from so many of our students. It is encouraging to know that, as a school community, we are helping to raise "Character Kids"!

## *Emergency Drills*

There are a number of times during the school year when we have emergency drills. We have had three fire drills already, a lockdown drill and just the other week we had a bus evacuation drill in the school parking lot. It is always important that the students are prepared and know what to do.

## Volleyball Update

This volleyball season has highlighted tremendous growth for our teams. Athletes are working diligently to develop their individual skills while improving team skills such as communication and movement. It is evident to see that the confidence of our athletes has risen on and off the court as a result.

Teams have completed more than half the regular season league play and the mixed team participated in a tournament at Charlie Killam School in Camrose. The scores continue to reflect the hard work and dedication being shown by our athletes. Our final home game will be played on **Monday October 30 at 4:45**, come cheer on our Round Hill Eagles.

# School Council

## School Council Update

Round Hill Parent Council meetings are a venue where you can express your thoughts about what is happening at our school. We do not do any fundraising through the School Council. This is simply a chance for you to come and get involved! We welcome all parents and caregivers to join us! Next meeting is **Monday, November 27 at 6:30 pm**. The meetings are held in the science room at the school.

## Friends of Round Hill School Society

This Society is run by a group of parents with the sole intention of raising money to support activities at the school. You can get involved either by emailing Kalena Christensen at [kalena.christenson@gmail.com](mailto:kalena.christenson@gmail.com) or coming to our next School Council meeting.

Over the year there will be many opportunities for you to help raise money for our students. Funds raised go directly to activities and equipment that directly impact the kids at the school!

# Agricultural Program News

The first monthly community lunch took place on October 24th. This lunch was prepared by our junior high students alongside community members and served to the community of Round Hill. This taco lunch features ground beef purchased from Kierstin Heiberg from Crooked Spruce Farms, and a variety of items grown in the RHRAF garden. Thank you to everyone who helps make this happen!

## Hot Lunch

As in the past hot lunch orders will be through the Rycor student online pay system. Watch for ordering dates and links which will be sent out via School Messenger.
