Message From Our Principal

Hello everyone!

February is here and it seems flu season is upon us once again. I would like to thank parents for keeping their child at home when he/she is ill. I realize how difficult this is for parents who are working full time. Thank you! That being said, I would like to encourage parents to send their child to school when they are not sick and don't have appointments. School attendance has the greatest impact on student learning and success. As well, their social life thrives when they attend on a regular basis and can maintain personal contact with all their classmates! Please help us out and ensure your child is regularly attending school if they are not sick. Again, if they are ill or have an appointment to attend, it is quite understandable that they are away from school.

True winter weather has arrived this month, even if we don't have the mounds of snow we are used to. Thank you for sending your child with the necessary cold-weather clothing that is necessary to keep them warm during recess and warm on the bus! It is very important that students have the appropriate winter clothing, even if they do not go outside at recess!

Students are going skating in the last two weeks of February! You will find a skating schedule in this newsletter and we will be sending a paper copy home with each student this week. I would like to remind parents that your child requires a hockey or skiing/snowboarding helmet (as well as skates!) if they are going to participate out on the ice. If you are a parent of a student in grade K-5 you are more than welcome to come and help tie skates. Please mark your calendar!

We continue to recognize students for being REAL! Showing respect, effort, positive attitude and strong leadership are the characteristics we try to instill in all of our students. Every month each teacher chooses a student who has been "REAL" that month. The student is then recognized at an assembly and presented with a little token of appreciation such as a shirt, mitts, hat or bag which the Parent Society has so graciously purchased for the students. As well, Pictures of the students are displayed on the bulletin board across from the office.

Remember, If you have any comments, concerns or questions, please call me at the school.

Regards,

Brian Horbay
