From the Principal's Desk

As we enter the month of June, staff members and students are working hard on their learning journey while also trying to find time to plant the garden and enjoy the other extra curricular events during this month. As you can see by looking at the attached calendar, June is a busy month around here! Upcoming events include our last assembly of the year (Thursday, June 6) when our band will play, and we will have a brief farewell for our one grade 9 student!! June 20th will be the Kindergarten students' last day celebration, swimming lessons from June 17-24 and our Elementary Track Meet and wrap up BBQ on June 25th. The last day for students is June 27th. Our year end Junior High Awards Ceremony will take place in the gym on June 27th, everyone is invited! We will notify you of a time as we get closer to the date. Provincial Achievement Tests for our grades 6 and 9 students will also be held throughout the month.

To help us plan, it is important that we have a good idea of what the student enrollment will look like for next year. If you know your child is not returning to Round Hill School in the fall, please send us an email to let us know. You can email bhorbay@brsd.ab.ca or pmcmanus@brsd.ab.ca. The sooner we have an accurate picture of enrolment numbers, the sooner we can finalize our planning for next year.

It has been a fantastic year as we continue to grow our working relationship with the Round Hill Renaissance Agricultural Foundation. Our teachers have worked hard to teach our students knowledge, skills and attitudes centered on agriculture. I would also like to thank the Society of Parents of Round Hill School and our School Advisory Council for all the support they have provided this year funding projects, providing advice and organizing and running our hot lunch program and Breakfast Club.
