

Round Hill School News

January 2025 Communication

I would like to thank all the community and family members who attended our Christmas concert, it was a great way to end 2024.

This month our junior high basketball teams are playing 6 games and we will also be hosting a tournament on the 24th and 25th of January. We go on the road next week to play Tofield and Ryley. Please check the website for the full schedule and come out and cheer on the Round Hill Eagles!

Just a reminder that there will be no paper copies of Junior High report cards in January. At Round Hill, all our junior high courses run for the entire school year, with the exception of junior high options, which are taken at the Composite High School in Camrose. With the constant access to marks and comments on PowerSchool, through our Real Time reporting, we will not be issuing a January report card to end the semester. If you do not have a PowerSchool account to see your child's marks online please contact the school to set this up.

Another reminder that there has been a change to the calendar this year. This year, staff meetings and Professional Development days are rolled together and the students do not come to school that day. Our next staff meeting day is January 31st. Our monthly assemblies are held the day before the staff meeting day, from 2:50-3:25. Our next assembly is Thursday, January 30th from 2:50 to 3:25. Everyone is invited to come and watch a student from each grade receive a REAL award!

The weather outside at recess can be quite chilly at times. According to the newly implemented Battle River School Division practice, when the temperature is -20°C or colder (including wind chill), students should stay indoors for recess. However, recess is a crucial time for young students, allowing for play, social-emotional development, fresh air, and exercise. To address this, we're introducing the Polar Bear Club, an initiative to encourage resilience in our students and support daily outdoor play. The Polar Bear Club allows students to go outside for recess when the temperature is -20 to -26°C (with windchill), provided their legal guardian has signed the online consent form and the student has appropriate winter clothing. Time spent outside will not exceed 20 minutes. So please consider signing the online consent form. This gives your child an opportunity to choose whether or not to go outside when it is between -20 and -26 . Go online to your child's student account to sign the consent form if you wish for your child to participate in the Polar Bear Club.

To summarize, we have three responses to recess based on the weather in Round Hill:

Regular Recess Outside ~ *Temperature plus windchill are warmer than -20.*

Polar Bear Recess ~ *Temperature plus windchill is -20 to -26°C*

- These are colder temperatures, but still safe for short outdoor play. Students not participating in the Polar Bear Club will remain indoors.

Inside Recess for all students, ~ *Temperature plus windchill is -27 or colder*

Bus Pass Replacements

If your child has lost their bus pass go to the BRSD Transportation website and follow the instructions to order a replacement pass. The cost is \$10.00 to replace every lost bus pass.

If "Jessie" has lost his bus pass and you have already paid for and replaced it with a new bus pass and then you find the lost pass at a later date you can keep it and have it reactivated. This will prevent you from having to pay the \$10.00 replacement fee in the event that Jessie loses his bus pass again.

Simply contact the transportation department and provide them with the numbers located on the back and they will reactivate it. Keep in mind that there must be no damage to a bus pass in order for it to be reactivated.
