

Round Hill School News

March 2025 Communication

Presentation

The Round Hill School Council is sponsoring a presentation from the Alberta Wellness Center on Friday, March 14th. This presentation will be for students from grades 5-9 as well as parents. Monica Arnold, Registered Psychologist, from the Alberta Wellness Center for Eating Disorders (AWCED) will be presenting at Round Hill School. The presentation to parents will be from 3:30-4:30 on Friday, March 14.

The Alberta Wellness Center for Eating Disorders is a multidisciplinary practice that specializes in the treatment of eating disorders and eating related struggles, across the lifespan. The center integrates best practice guidelines, evidence-based treatments, and promising innovative approaches to provide their clients hope for a meaningful and long-lasting recovery. They believe that knowledge and awareness are essential elements to eating disorder prevention. Their efforts towards advocacy and community outreach have a strong focus on fostering positive relationships with food, bodies and movement.

The presenter, Monica Arnold, has specialized training in, and a passion for, working with folks navigating eating disorders and other disruptions with food and body image. She has a particular interest in providing education surrounding diet culture, weight bias, and colonial ways of viewing bodies in hopes of inviting those around her to begin unpacking the oppressive ways they have learned to view their own bodies, food and the diverse bodies of others. Monica frequently presents at conferences, primarily targeting educators and school communities, to encourage a shift in how nutrition and body image are discussed and approached in school environments

Survey Time!

Over the next few weeks parents and guardians of students in grades 4-9 will have an opportunity to fill in **two** surveys - one from Alberta Education and the other from the Battle River School Division. Last week we sent home an envelope containing the information you needed to complete the Alberta Education Assurance Survey. This survey from the government is sent every year to parents and guardians throughout the province and is also filled out by students and staff. The second survey, the BRSD Education Plan Stakeholder Survey and the link for this survey was sent out this week from BRSD in an email.

Both surveys are voluntary and anonymous. Yearly surveys are a great way to receive feedback from our school community! Every year we use this data when we are putting together the Round Hill School Education Plan. In the past, we have had great feedback on this survey! I ask that you take some time to fill out both surveys! As well, the 2023/2024 BRSD annual AERR Review Video has been posted to the Round Hill School website or you can click the link ([AERR Review Video](#)) to watch!

Brian Horbay

School Dance

On Friday, February 21, 2025, Round Hill School hosted a school dance welcoming any of the students and parents to come. There was free pizza donated by the Elks, a hired DJ and a photo booth. Drinks and snacks were also available. The gym was full of students dancing, singing, taking pictures, playing with balloons and having an amazing time. We all appreciate the opportunity we had and can't wait to have another!

- Jazmine, grade 9
-

The kids had so much fun at the school dance last week! There was a DJ, a concession, and a photo booth.

- Amelia, grade 3

It was the start of the year, and before we knew it, there was a dance coming up! It was on Friday, but I was busy on that day. Then I realized that I don't have to go to hockey, so I made my decision to go to the dance. I had a great time at the dance and it was fun. First I went to the photo booth, then I went and danced for a little bit. I went to the photo booth again! It was fun!

- Lincoln C, grade 3

School Council News

There has been a change to the date of our next School Council Meeting. The next meeting will be on Monday, **March 17th @ 6:30.**

Basketball

The Junior Boys' and Girls' basketball teams have finished their season. The Girls' Team took silver in the Round Hill Tournament and finished their season off by winning the Ecole Charlie Killam Tournament. The Boy's won the Round Hill Tournament and finished their season losing a very close playoff game to advance to Regionals. It was amazing to watch both teams develop over the season.

MiniDunkers will continue until the March Break.

Badminton

Jr High badminton season has begun. Practices will be starting this week in preparation for the qualifying tournament which will be held on April 3rd in Sedgewick. More information will be sent home soon.

The International Student Program welcomed 11 students from Japan to École Camrose Composite High School and Forestburg School in January.

These Grade 10 students had the opportunity to go into BRSD elementary classrooms. The international students engaged with local students in four themes organized into stations: teaching origami, playing Jenga, practicing with chopsticks and writing their names in Japanese.

This supports the goals of the International Student Program to develop global competencies and understanding of different cultures within our own BRSD students and to create excitement about new experiences.

Feedback from a teacher:

Thank you for organizing the Japanese students' visit to our school. The students loved the four activities the international students prepared and shared with us. The international students interacted and asked questions to our students to get to know them. It was a great way to share Japanese cultural activities with our Canadian students.

Sarah Bird
Teacher, École Sifton School

Would you be interested in supporting our program through becoming a host family?

Battle River School Division welcomes international students from all over the world!

Hosts are needed in all of the communities we serve.

Why become a host family?

- Flexible commitments are available (10 week up to one year).
- A generous stipend of \$800 per month will support expenses and activities.
- Choose from options to host students from a variety of countries, grade levels and backgrounds.
- Learn about other cultures; share Canadian culture, local traditions and community experiences.
- Create lifelong friendships and global connections!

Alberta Champions Contest

Alberta-wide Multimedia Contest for Grades 4 to 6 and 7 to 9

Students can enter and create a presentation that features the lifetime accomplishments of an outstanding Albertan. Then they can catch the inspiration and commit to making a difference in their own community. Teachers who had their students enter in 2024 were pleased that the students learned a lot about Alberta history as well as working on their citizenship goals.

Check out the rules, rubrics and contest resources and see how the contest fits with the curriculum in ELAL and Social Studies. [2025 Student Contest - Alberta Champions Society](#). Also, check out last year's very impressive winning entries!
