June 2025 Communication

As we enter the month of June, staff members and students are working hard on their learning journey while also trying to find time to plant the garden and enjoy the other extra curricular events during this month. As you can see by looking at the attached calendar, June is a busy month around here! Upcoming events include a big field trip to Reynolds-Alberta Museum for the K-5 students, a trip to see a Shakespear production for the students in grades 7 through 9, our last REAL assembly and our Spring Concert and much more! Provincial Achievement Exams from June 19th to the 25th, Elementary Track Meet and wrap up BBQ on June 25th, and starting at 1:00, we will have our year end Junior High Awards Ceremony and a brief farewell to the Grade 9 students on June 26th

To help us plan for next year, it is important that we have a good idea of what the student enrollment will look like for next year. If you know your child is not returning to Round Hill School in the fall, please send us an email to let us know. You can email bhorbay@brsd.ab.ca or pmcmanus@brsd.ab.ca The sooner we have an accurate picture of enrolment numbers, the sooner we can finalize our planning for next year. Thank you in advance for your prompt attention to this matter!!

It has been a fantastic year as we continue to grow our working relationship with the Round Hill Renaissance Agricultural Foundation. Our teachers have worked hard to teach our students knowledge, skills and attitudes centered on agriculture. I would also like to thank the Society of Parents of Round Hill School and our School Council for all the support they have provided this year by funding projects, providing advice and organizing and running our hot lunch program and Breakfast Club.

If you have any questions, concerns or comments please contact us at the school.

With Deepest Gratitude to Our Sponsors

To our incredible sponsors and supporters,

As we prepare to serve our final Community Hall Lunch of the year, we want to pause and express our most sincere and heartfelt thanks.

This meal — like every meal our students have served this year — simply would not have been possible without you.

Round Hill Elks, Round Hill Women's Institute, Nahirniak Farms, Irvings Farm Fresh, and so many generous families and community members: your contributions have nourished far more than just our school's tables. You have nourished confidence, curiosity, teamwork, and pride in our students.

Because of your support, our junior high students have had the chance to plan, prepare, and serve meals inspired by cultures around the world. They've grown in leadership, developed real-world skills, and discovered the joy that comes from giving back to their community. The transformation we've witnessed — in their abilities, their sense of responsibility, and their belief in themselves — has been truly inspiring.

You haven't just helped us make food. You've helped us make **memories, meaning, and momentum** that will carry forward in the lives of our students far beyond this school year.

Thank you for believing in our students.

Thank you for investing in their growth.

And thank you for being such an important part of the Round Hill family.

With heartfelt appreciation,

Round Hill School

A special presentation was made at the school on Wednesday, May 29th. Mrs. B received her 20 year recognition award from the Division, as well as, a special presentation made by the students who have had her as a teacher throughout the years. Congratulations to Mrs. B.!

The Kindergarten class has a special project happening! 28 baby chicks were hatched in the classroom. Thank you to Mrs. Schwab and her knowledge in hatching and raising chicks. The kids learn each step in the process and a better understanding of agriculture life. Kindergarten students' last day is June 12th.

The students will be spending a lot of time outside participating in activities and studies during the month of June. Proper clothing for the weather, sunscreen and bug spray are recommended.
